

Opti-2[®]

TWO-CYCLE OIL

APPLICATIONS

- * For use in all air and water cooled two-cycle engines regardless of brand, model, or mix ratio.
- * String trimmers, blowers, chain saws, hedge trimmers, pole saws, water pumps, RC units, motorized scooters and skateboards, snow throwers, snowmobiles, outboards, personal watercraft and motorcycles

Pro-Tube
protective
6-pack

FEATURES & BENEFITS

- * **SIMPLE** - single mix for all air & water cooled two-cycle engines
- * Exceeds all OEM specifications (ISO-L-EGD++)
- * Smoke-free operation
- * Contains fuel stabilizer
- * Improved engine performance
- * Longer engine life
- * Compatible with oxygenated fuels
- * Less oil = less exhaust
- * Anti-wear properties
- * Anti-corrosion protection
- * Greater horsepower

21224

20096

20056

TECHNOLOGY

- * Specialized two-cycle lubricant exceeds O.E.M. performance standards and highest global oil standards
- * Reduces oil consumption and exhaust emissions
- * Improves performance
- * Reduces break-in period

GENERAL INFORMATION

- * One mix for all two-cycle equipment
- * Environmentally friendly (less exhaust)
- * Gasohol compatible

SIZES

- #20096 1-gallon mix pouch
- #20056 2.5-gallon mix pouch
- #21224 10-gallon mix bottle
- #20112 25-gallon mix bottle
- #20044 110-gallon mix jug
- #20015 530-gallon mix pail
- #20055 5500-gallon mix drum

20112

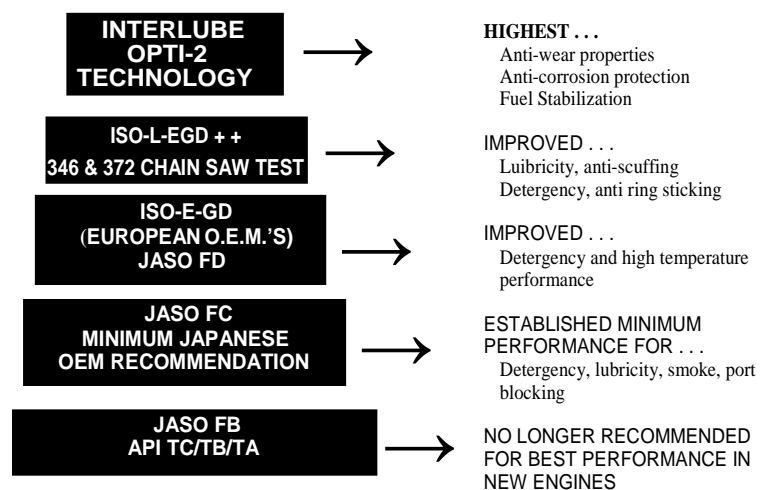

20044

Opti-2[®]

**EXCEEDING THE
HIGHEST
PERFORMANCE
STANDARDS FOR
OVER 30 YEARS**

GLOBAL STANDARDS FOR 2 CYCLE LUBRICANTS

THE DEMANDS ON TWO CYCLE ENGINES HAVE INCREASED DRAMATICALLY RESULTING IN A PYRAMID OF LUBRICANT PERFORMANCE LEVELS.

NOW AVAILABLE BY THE CASE

Opti-2[®]
Pro-Tube
Protective 6-pack

- * (6) 5-litre mix pouches per Pro-Tube
- * 12 Pro-Tubes per case (Part #20612)
- * Rugged, resealable, reusable protective tube
- * Toolbox and saw case safe
- * Clear tube so you'll know when you're low
- * Put **YOUR** name on it, add your equip. sticker

#20612
12 Pro-Tubes
per case

- * **NOT** available at Mass Merchants

Opti-MIZER

24-month Fuel Stabilizer
Total fuel and fuel system protection

Petroleum based-unlimited shelf life
(most competitors products are alcohol based)

APPLICATIONS

- * For use in every 4-cycle engine
- * To protect engines before, during, and after operation
- * Use any time fuel is stored
- * For use in fuel cans or tanks

FEATURES & BENEFITS

- * Fuel stabilization up to 24 months
- * Extra corrosion protection
- * Engine & carburetor detergency
- * Easy starting
- * Exclusive top cylinder & valve lubrication
- * Keeps fuel fresh
- * Prevents resin & gum formation
- * Protects entire fuel system
- * Easy-measure bottle

TECHNOLOGY

- * Contains exclusive Valve Guard upper cylinder lubrication.
- * Protects maximum fuel quality.
- * Stops fuel from becoming "stale".

GENERAL INFORMATION

- * Opti-Mizer is petroleum based and does not add more alcohol to fuel (most competitors products are alcohol based).

Part#

- 60448 - 1.4 oz. pouch (treats 2.5 gallons)
- 61612 - 16 oz. bottle (treats 30 gallons)
- 60120 - 5.3 gallon pail (treats 1350 gallons)

Opti-2®

INJECTOR OIL

APPLICATIONS

- * For use in 2-cycle oil injector systems on all high-performance engines
- * Oil injected personal watercraft
- * Oil-injected outboards
- * Oil-injected motorcycles & ATVs
- * Oil-injected snowmobiles

FEATURES & BENEFITS

- * One injector oil for all engines in all seasons
- * Formulated to ensure optimum flow in all weather
- * Better engine performance
- * Cleaner operation: no plug fouling
- * Reduced smoke
- * Reduced break-in time
- * Greatly extends engine life
- * Lowest friction coefficient

TECHNOLOGY

- * Surface improvement
- * Anti-corrosion protection
- * All-season blend
- * Formulated for proper flow at all temperatures
- * Exceeds BIA-NMMA specifications for TC-W performance in injector watercraft

GENERAL INFORMATION

- * Part of a full line of quality high performance lubricants produced in the USA for over 25 years
- * Semi-synthetic blend is formulated for oil injection systems on all high-performance engines
- * Interlube's only product with a synthetic base

SIZES

#30112	34 oz. bottle	(1 litre bottle)
#30044	1 gallon jug	(4 litre jug)
#30015	5.3 gallon pail	(20 litre pail)
#30055	55 gallon drum	(205 litre drum)

Opti-4[®]

FOUR-CYCLE OIL

APPLICATIONS

- * For use in all 4-cycle engines regardless of make or model.
- * Lawnmowers, motorcycles, generators, outboards, log splitters, ATVs, pumps, snowthrowers, automobiles, rototillers, power washers, chipper/shredders, & fire equipment
- * Any small, hard-working power equipment with a 4-cycle engine

43024

FEATURES & BENEFITS

- * Doubles O.E.M. engine warranty
- * Offers the customers something the competition can't
- * Helps sell more equipment
- * Dramatic surface improvement
- * Lower operating temperatures
- * Easier starting
- * Longer engine life
- * Off-season corrosion protection

43444

OPTI-4 FOUR-CYCLE OIL

TECHNOLOGY

- * Opti-4 produces an action that causes the metal surfaces to restructure. The metal deforms and rapidly produces super-smooth, hardened sliding surfaces.
- * Petroleum-based high-performance lubricant.

43121

GENERAL INFORMATION

- * Exceeds all engine manufacturers warranty requirements.
- * Gives twice the warranty protection the manufacturer offers.

SIZES & WEIGHTS

#43024	3-pk 20 oz. bottles	(30W, 5W30)
#43121	4-pk 34 oz. bottles	(10W30)
#43444	1 gallon jugs	(30W, 5W30)
#43120	5.3 gallon pail	(30W, 10W30, 5W30)
#43455	55 gallon drum	(30W, 10W30, 5W30)

FOAM FILTER OIL

APPLICATION

For use in foam filters after cleaning to keep the filter moist and to trap dirt and contaminants before they enter the engine.

FEATURES & BENEFITS

Helps filter catch contaminants
Repels water
Traps grit & dust

Maximizes power output
Reduces repairs
Protects engines

TECHNOLOGY

High “tack” formula stops dirt
Lightly oiled foam filter catches contaminants
Ultimate air filtration provides proper engine breathing

GENERAL INFORMATION

Easy squeeze drip bottle oil application, when applied, reduces maintenance costs and maximizes engine life.

SIZE

#80200 16 oz. bottle (500 ml bottle)

GREASE

The ULTIMATE Multi-Grease

APPLICATIONS

For workshop and industrial lubrication.

FEATURES & BENEFITS

Waterproof characteristics
Long life
Highest quality
Hardest working

TECHNOLOGY

Extreme pressures N.L.G.I.
Number 2 grade
Lithium base

GENERAL INFORMATION

Surface-improving multi-grease

SIZE

#50192 1.5 oz. pouch (40 ml pouch)
